GRIFFITH WOMEN IN BUSINESS INCORPORATED

Committee Nomination Form

Annual General Meeting, Sunday 29 November 2026

Nominations are now called for the GWIB committee, under clause 16 of our constitution.

The committee is four office-bearers, being the **President, Vice President, Secretary and Treasurer**, plus **general committee members**. If more people nominate than there are positions, we hold a ballot on the day, and we can appoint more committee members through the year.

Before you fill this in

- The person being nominated **must be a current GWIB member**.
- The nomination must be **signed by two GWIB members**, and those two cannot be the nominee.
- The nominee must **consent in writing**, which is the signature on this form.
- It must reach us by **5pm, Tuesday 24 November 2026**. The constitution requires three business days.

Your role there	

Position you are nominating for

Tick one. These are the positions elected at the AGM. The constitution calls a general committee member an "ordinary committee member", which is the same thing.

- ☐ President
- ☐ Vice President
- ☐ Secretary
- ☐ Treasurer
- ☐ General Committee Member

Anything you would like to take on

Optional, and not part of the election. The committee allocates these jobs among general committee members after the AGM. Ticking a box here just tells us what you are drawn to.

- ☐ Membership Coordinator
- ☐ Mentor Program Coordinator
- ☐ Social Media Coordinator
- ☐ Happy to help wherever I am needed

Consent of the nominee

I consent to being nominated for the position above, and I confirm I am a current member of Griffith Women in Business Incorporated.

How to return it

Email it to the secretary at griffithwomeninbusiness@gmail.com. A clear photo or a scan is fine.

Or hand it to Katrina Childs or Tegan Summers in person.

Either way it needs to reach us by **5pm, Tuesday 24 November 2026**.

What happens after that

If we receive the same number of nominations as there are positions, everyone nominated is elected and there is no ballot. If we receive more, we hold a ballot at the AGM. If we receive fewer, we can take further nominations from the floor on the night.
